

Appendix C

Memorials and Recognitions

Facilities, Scholarships, Memorials, and other public recognitions for or dedicated to the fallen from the Officer Candidate School Classes, Fort Knox, Kentucky, 1965 – 1968.

In addition, included recognition for our two living Medal of Honor recipients and the only other Ft. Knox OCS graduate known to have been killed while serving the country.

Note: National Memorials like The Wall and the numerous state Vietnam Veterans Memorials, including the ones in the state capitols, are not listed. The official state Home of Record (HOR) for each man is included in the Roll of Honor (Appendix A) for those who wish to visit state memorials. National memorials also exist for many military organizations such as the 25th Infantry Division at Schofield Barracks HI, the 173rd Airborne Brigade at Columbus GA and the comprehensive online “data bases” for the VHPA which includes detailed information on more than four dozen of our KIA and is used as a reference in the Coffelt Data Base of Vietnam Casualties
