It's been two weeks since the anniversary marking the graduation of a class. The 38th OCS class at Fort Knox since OCS was conducted there during the Korean War was Class 22-67, Company A2. The class was in-cycle from Friday 24 Feb 67 to its graduation on Tuesday 1 Aug 67. According to the class roster kept at the company level there were 108 in the class when it started and an additional nine were added during the cycle. Of the 117, twenty-nine were relieved from the program. Eleven were recycled or "turned back" to other classes and eight successfully completed the OC course and graduated. Two graduated with Class 27-67, G1; four graduated with Class 28-67, F1; one graduated with Class 29-67, G2; and one graduated with Class 30-67, D1. The 77 graduates represent a 66% graduation rate which was the normal graduation rate for all classes. The class average was 84.60%. Distinguished Honor Graduate was Gary W. Edwards. Honor Graduate was David J. Rader, and the Distinguished Military Graduates, according to class ranking, were Gary H. Hill, Roy H. Olive, John L. Berns, Robert N. DuRant, David L. Ervin, and Jerry Bukiewicz. Gary H. Hill was the winner of Military Stakes earning 825 points out of a possible 1000. Class member Douglas E. Caton achieved the rank of major general and was inducted into the OCS Hall of Fame at Fort Benning, Georgia in 2017.

Fifteen members of the class went on to the ORWAC (Officer Rotary Wing Aviator Course). One of those fifteen, 2LT Phillip S. Paige was killed in an automobile accident while in training at Fort Wolters, Texas. Two graduates were killed in action in Vietnam, and another seventeen have gone off to Fiddler's Green since their military service. Fifteen members of the class have been located.

The class published a monthly newsletter called The Alpha Banner. The May 1967 edition has an article about Company XO 1LT William L. Busby receiving orders for Vietnam and the schools he would attend before arriving in country. As a MACV Advisor 1LT Busby was KIA on 31 Jan 68. His Vietnam tour started on 14 Sep 67. He was from Henderson, KY, had over ten years enlisted service, and was a graduate of Infantry OCS and AOB at Fort Knox. Another article in the Alpha Banner was about the 13th Week Party that was to be held at the Half-Track Club. The party would be a celebration of the class "Turning Green" (Intermediate Candidates). The article went on to mention that the theme of the party was the Kentucky Derby and that at 1915 hours those OC's who had signed up for a blind date would find out their "Date Fate". Brigade Commander COL Bernard McKeever would be addressing the class just prior to the class "Turning Green". One of the top local bands, "The Celtics" would provide music for dancing.

In the 19 Nov 71 edition of Inside the Turret, Area 440 at Fort Knox, located at 2nd Dragoons Road and Chamberlin Street, then used as a parade area for military ceremonies, was designated Gillespie Parade Area in honor of 1LT Robert J. Gillespie, Jr. 1LT Gillespie was a member of Class 22-67 and died on 11 Aug 68 from wounds he received on 5 Aug 68. He was posthumously awarded the Silver Star for his bravery against a large Viet Cong patrol. His valor was a major factor in the successful outcome against a numerically superior hostile force.
